Description of Service / Food Providing:

\_\_\_\_\_  
\_\_\_\_\_

I understand that my booth space is 20' x 20' (400sf) and I can keep all my equipment, trailers and storage in that area. Initials \_\_\_\_\_ **If not please circle Large Area below.**

Requirements: (CIRCLE)      Electric      Water      Large Area (< 400 sq ft)

*All vendors that request electric will receive one (1) duplex receptacle, that is a total of 2 plugs, on a single 20amp 120 volt circuit. Any vendor requiring more electrical service can be accommodated for an additional fee and may be required to locate in specific vendor spots.*

*All vendors requesting water will be provided access to water with their own supplied garden hose and fittings. No hoses, fittings, splitters, ect will be provided for use by the fair. If more water is need please indicate that below.*

Additional Services: (CIRCLE)      Water      Electric

Please list **VERY SPECIFIC** details of what additional services you request including type/ size/ amount/ voltage/ specific plug type or number, ect.
